

# VITS LanguageLink Multilingual Information Lines

Tailor Designed Multilingual Communication Package

VITS **LanguageLink**

## LanguageLink Multilingual Information Lines

Up to 100 language specific telephone Lines

Non-English speakers call their language specific line

They are welcomed to the service in their language and provided with a select menu of pre-recorded information

They can return to the main menu at any stage, or chose to have the information repeated

At any stage, they can select to transfer directly to the service provider, with an Interpreter on line to assist them in their communication

## VITS LanguageLink Multilingual Information Service

An all in one Communication Package
